REMARKS

This response is intended as a full and complete response to the Office Action dated March 9, 2005. In view of the following discussion, the Applicants believe the application is in allowable form.

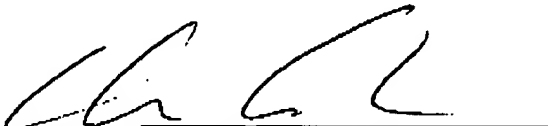

Reference numerals have been added to Figure 6, as requested by the Examiner. A replacement sheet containing Figure 6, as amended is enclosed. The Specification has been amended to add paragraph [0080.1], which contains a description of the flow chart shown in Figure 6. A comparison between Figure 6 and paragraph [0080.1] will confirm that no new matter has been entered. Additionally, a copy of the "Computer Vision" reference inadvertently omitted from the previous mailing is also enclosed.

Thus, the Applicants submit that the application is in condition for allowance. Accordingly, swift passage to issuance is earnestly solicited.

If, however, the Examiner believes that any unresolved issues still exist, it is requested that the Examiner telephone Mr. Keith Taboada at (732) 530-9404 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

May 4, 2005

Keith P. TABOADA, Attorney
